### **MESSAGE FROM THE PRESIDENT**

Welcome to the 65<sup>th</sup> Stevenson High School Alumni Annual Meeting and Reunion. We are excited to be able to gather once again with classmates, teachers, and friends. The pandemic forced us to cancel our event the last two years and we have had to make some changes this year to accommodate catering issues, but I am looking forward to a fun evening with “old” friends! We will be celebrating the 50-year reunions of the graduation classes of 1970, 1971, and 1972. We hope many other classes will be represented as well. It will be a great time to connect and reminisce.

As you know, our reunion supports the Alumni Association scholarships that we provide SHS graduates to help launch them on their next journey in life. Whether it be a 2- or 4-year college, a trade or technical school, or a certification program, we are committed to helping our graduates pursue their goals.

Many of you contributed to the Scholarship Fund the last two years, even though we were unable to hold the reunion. Thank you! Your generosity allowed the Association to continue to provide scholarships each year. As you may recall in normal times, a portion of the reservation fee, along with additional donations and generous bequests, make our scholarships possible.

I hope to see you on June 25<sup>th</sup> for an evening of long visits, laughter and maybe a few tears.

Bill Lahmann - President, SHS Alumni Association
